

**An International Technical Symposium**

**In association with SENSE-VIT**

**22<sup>nd</sup> January 2016 – 24<sup>th</sup> January 2016**

## **PAPER PRESENTATION COMPETITION**

### **Description**

This Synergy'16 we bring together Scientists, Academician, Field Engineers, Scholars and Students of related fields of Engineering and Technology. So here we are with a competition for innovative ideas and research in your own field of interest.

Papers from the following branches will be accepted:

- ECE/EEE
- CSE/IT
- Mechanical/Civil

Participants are requested to mail their abstracts to [ietevit@vit.ac.in](mailto:ietevit@vit.ac.in)

Abstracts sent by e-mail must have the subject of the e-mail as: [College][Branch]

The last date for sending your abstract is 20<sup>th</sup> of December, 2015. You will be informed about the selection of your abstract through an e-mail.

The Paper Presentation Competition will be conducted on 22<sup>nd</sup> and 23<sup>rd</sup> of January, 2016 in VIT University, Vellore.

Any other important detail regarding the venue or the timings of the competition will be conveyed through e-mails.

## Procedure

- Students have to present their abstract a few weeks prior to the final presentation.
- The selected abstracts will be presented before the judges in the final presentation.
- We will shortlist papers which will be published in IJRET. The participants also have a chance to win prizes worth Rs. 13,500 (including all categories).
- A common registration fee of Rs. 500 per student has to be paid.

**Recommendation:** It is strongly recommended to come up with an original piece of work. We are open to innovative ideas and a vision for discovery.

## Registration Fee - Rs.500/participant

## Kits

A paper presentation kit will be provided to all the participants.

## Certificates

Certificates will be provided to the winners by IJRET.

## Prizes

Along with getting their paper published in IJRET the participants also have a chance to win prizes worth 13,500 (including all categories).

## About IJRET

**International Journal of Research in Engineering and Technology** is an international peer reviewed, online and print version journal published by eSAT Publishing House for the enhancement of research in various disciplines of Engineering and Technology. The aim and scope of the journal is to provide an academic medium and an important reference for the advancement and dissemination of research results that support high-level learning, teaching and research in the fields of Engineering and Technology. We bring together Scientists, Academician, Field Engineers, Scholars and Students of related fields of Engineering and Technology.
